### Grand Fiesta Americana Los Cabos Reconfirms Golf Leadership

Nearly 20 members of IAGTO (International Association of Golf Tour Operators) arrived in Los Cabos last month to compete in the "Copa Los Cabos Tournament" and experience the destination's extraordinary golf settings. Grand Fiesta Americana Los Cabos had the opportunity to host the wholesalers who experienced firsthand the many assets offered at the resort for golfers.

In addition to rounds at the Ocean Course at Cabo del Sol, designed by Jack Nicklaus and ranked on the Top 100 best golf courses in the world (conveniently located few meters away from our resort), they also experienced the special amenities for golfers that we offer such as early breakfast, special discounts at the Cabo del Sol Golf Course, round transportation to the golf course and storage for golf equipment, demonstrating why our all-inclusive resort has established itself as a hotspot for avid players in search of an unforgettable golf vacation, combined with incredible beaches and rock formations perfect for snorkeling, cultural and recreational activities, exquisite cuisine, and a world-class wine therapy spa.

### Nakawé – A Story to Tell

Fiesta Americana Puerto Vallarta

The recognized Spa at the Fiesta Americana Puerto Vallarta is named after the pre-hispanic Goddess of Rain and Stars, Nakawé.

Legend tells that the name Nakawé was given to a little girl from the Matatipac Valley who upon hearing about her father's necessary leaving home due to severe drought and hunger, accidentally started a lively dance with what is now known as a rain stick. At that moment, she discovered that clouds could be summoned to bring rain to needed areas by dancing and chanting with this special stick. This tradition has since passed on through generations.

Nakawé Spa is a tribute to abundance and well-being that is brought by water and nature itself, just like this little Nakawé showed her people. All cabins and treatments in this serene haven are aligned with her spirit.

#### Teens Club

The hotel has created the Teens Club concept to help ensure that there's something special for every member of the family. Teens will find video games, pool tables, music, movies and sporting activities. An Information Area lists all of the activities taking place each day.

#### Fiesta Kids Club

The smallest members of the family are not forgotten and can also enjoy the newly refurbished Fiesta Kids Club focused on the younger guests who always want to have really fun vacations. Relax and soak up the sun while your children have a blast at the Pirate Ship. This attraction, located in the kid's pool area, features three slides, three water cannons and tons of fun for the little ones. The daily activities program has been designed by a specialist children's entertainment company and offers everything kids look for and love: supervised pool and beach games, competitions, arts and sports skills and pastimes focused on sharing, sometimes with parental participation.
